

REMARKS

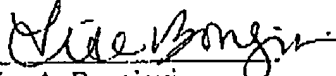

Claims 2-26, 28-35 and 37-47 are pending in the application and have been allowed. The Examiner has objected to the title and the abstract. Applicant has amended abstract as suggested by the Examiner. As for the title, Applicant has proposed a different title. Because all claims require the desiccant, Applicant has amended the title to reflect that element.

In view of the foregoing, it is respectfully submitted that the instant application is in condition for allowance. Accordingly, it is respectfully requested that this application be allowed and a Notice of Allowance issued. If the Examiner believes that a telephone conference with Applicant's attorneys would be advantageous to the disposition of this case, the Examiner is cordially requested to telephone the undersigned.

In the event the Commissioner of Patents and Trademarks deems additional fees to be due in connection with this application, Applicant's attorney hereby authorizes that such fee be charged to Deposit Account No. 06-1130.

Respectfully submitted,
